JONAS PREMIER & OUTSOURCING PAYROLL WITH **CERIDIAN**

See how your business can streamline payroll processing with Jonas Premier and Ceridian!

POWERPAY WEB:

Powerpay Web, our core solution in this suite, is a leading online payroll solution that uses transformative technology to deliver proven results.

ELIMINATE THE HASSLE, RISK, AND WORRY OF PAYROLL IN THREE EASY STEPS:

1. Securely enter your payroll data online, even using your mobile device.
2. Preview your payroll to check for errors, which the solution automatically identifies.
3. Submit your payroll for processing, and leave the rest to us.

POWERPAY PLUS:

It offers all of the features and benefits of Powerpay Web, plus much more, including role-based security, storage and viewing of HR data, Ceridian Business Intelligence for reporting, and 80 additional earnings codes.

If your organization is mid-sized or simply has more complex payroll administration needs, such as union calculations, Powerpay Plus is your complete payroll solution.

MAKE BETTER, MORE INFORMED DECISIONS

With Powerpay Web or Plus, you can make better-informed business decisions with comprehensive standard and ad-hoc reports. Ceridian also offers a sliding scale of add-on solutions that ensure you can choose the right reporting capabilities for your organization.

YOU AUTOMATICALLY RECEIVE GENERAL PAYROLL REPORTS EACH PAY PERIOD, INCLUDING:

• Funds Summary
• Journal Entry
• Payroll Register
• Government Remittance Summary

FOR AN ADDITIONAL FEE, YOU CAN ALSO RECEIVE A STANDARD EXCEL REGISTER THAT INCLUDES:

• Payment Details
• Employee Details
• Cheque/EFT Details
• Distribution
• Earnings/Hours
• Contributions
• Deductions
